

Kinnhor LOUDSPEAKER

Available in six lively colours, the Kinnhor loudspeaker is particularly flexible. Kinnhor is an easy fit in household environments and runs perfectly with Mel Audio and other manufacturers' components. Small and compact but with a dynamic, fun sound that goes far beyond its reduced size.

Technical Data

Type:	2 way mini monitor
Design:	Acoustic suspension
Crossover	12 dB oct.
Drive units:	13,5 mm (1/2") mylar dome tweeter, 130 mm (5") polypropylene mid-woofer
Frequency response:	50 Hz - 20 kHz
Sensitivity:	89 dB
Recommended power:	15 wrms - 100 wrms
Impedance:	8 ohms
Weight:	10 kg (22 lbs) each
Dimensions:	H: 31,5 cm (12") W: 19 cm (7 1/2") D: 23 cm (9")
Available finish:	Aston Martin black, Bugatti blue, Lamborghini orange, Porsche yellow, BMW white, Ferrari red
Special features:	Two sets of heavily plated gold binding posts, Air core inductors, Polypropylene capacitors, Roderstein Vishay resistors, High purity copper, Designed by Enrico Lusuardi
